

LIFE DRAWING ETIQUETTE

It's essential to keep a safe and respectful environment for the sake of the artists, and the model. Anyone caught breaking this important etiquette may be asked to leave without warning.

- There should be no talking while the model is posing
 - Never comment on the model's figure or pose
 - Please do not speak directly to the model unless they speak to you first
- In most cases, you should only leave the room during a break. If you do need to exit please use the side door.
- Please keep your phones tucked away for the entirety of the session and keep them on silent or vibrate
 - Allow the model their personal space during breaks and after the class
- Only people participating in the class will be allowed in the room while the model is working
- It is expected that while the model is undraped, everyone is either actively drawing or teaching.
 - Absolutely no photographs or videos at any time!
- Please direct any comments, suggestions or ideas quietly to the instructor during breaks.
- Do not move easels, chairs, or tables during the pose, other than slight adjustments.
