

POTTERY STUDIO FEE INCREASE

**6 month grace period for existing members
May 1 - October 31**

After a lot of discussion, community feedback, and research, we've made the decision to increase pottery studio fees.

New members will begin at the updated rates, while existing members will receive a 6-month grace period before the changes take effect. We know price increases can be difficult, and we want to do our best to support the people who make this space what it is.

The old rates were originally set with the expectation that members would contribute regular volunteer hours to help maintain and support the studio. As the space has grown, most members have not been able to consistently contribute those volunteer hours, making it increasingly difficult to sustain the studio at the old rates.

As more people use the studio, we need to make sure the space remains safe, sustainable, and well-supported for the long term. This increase will help us maintain the facilities and ensure we can operate for many years to come.

POTTERY STUDIO FEE INCREASE

CAN I BUY A YEAR OF THE OLD RATE?

If you joined before May 1, yes! You can buy one year anytime before the new rates become standard -November 1

DOES THIS MEAN WE'RE GETTING A STUDIO TECH?

Yes! There are some things we have to do behind the scenes to get this setup, but stay tuned.

DOES THIS MEAN I DON'T HAVE TO CLEAN?

No! Cleaning up after yourself is still expected. It keeps the space free of Silica & is just part of sharing a community space.
